

## Taking the Student CHMM Examination

After successfully registering for your Student CHMM credential, including uploading your college transcripts –and/or – employment experience for verification of eligibility, and then paying your \$10 registration fee, our applications and examination staff will contact you about taking the 2-hour online examination.

The examination covers the material in the Student CHMM blueprint, as well as material from the textbook *Hazardous Materials Management (HMH text, 3rd edition)*, available on our website in the IHMM store at a significant discount to students.

The examination will be through the online testing service Questbase.

If you have questions concerning your Student CHMM examination please contact [examinfo@ihmm.org](mailto:examinfo@ihmm.org).
