

JIMMY NGUYEN – BIO

Jimmy Nguyen is a Certification Coordinator for the Institute of Hazardous Materials Management, a position he has held since July 2017. He is responsible for managing the daily operations of IHMM's recertification programs, operations relating to IHMMs certificant database Association Anywhere, and Staff liaison to the CHMM recertification committee. Since Joining IHMM he has successfully migrated ISHM's 5 certification programs and over 1200 certificants into IHMMs database.

With over 10 years of experience in nonprofit associations, Jimmy has held many roles in different credentialing associations. He has been a membership services team member, assisting with joining an association to gaining a new credential. An IT Manager with a previous Certification body, where he successfully migrated from an antiquated Access Database to a cloud based Certification Management System. Where an applicant could apply, pay for, or recertify their credential.

In his free time he enjoys spending time with his family and 2 dogs.
