

Jim Drosdak

Certification Coordinator, IT Coordinator-IHMM

Jim Drosdak is one of IHMM's Certification Coordinators as well as the IT Coordinator providing a smooth user experience for IHMM since 2011. Jim specializes in ensuring IHMM's applicants, certificants, and staff have easy access to the technological tools and resources they need to excel in their professional endeavors. A strong believer in feedback-oriented solutions, Jim regularly consults applicants, certificants, and staff to seek out information on what's working well, and what can be improved to develop strategies and help improve everyone's IHMM experience. Outside the office Jim tries to balance staying fit, fine food, comics, pop culture, and watching movies.
