

Taking the Student ASHM Examination

After successfully registering for your Student ASHM credential, including uploading your college transcripts –and/or – employment experience for verification of eligibility, and then paying your \$10 registration fee, our applications and examination staff will contact you about taking the 90 minute online examination.

The examination covers the material in the Student ASHM blueprint.

The examination will be through the online testing service ClassMarker.

If you have questions concerning your Student ASHM examination please contact

examinfo@ihmm.org.
