NOMINEE QUALIFICATIONS

Please describe below the reasons you think the nominee would make a good IHMM Board Member. Include anything that highlights the individual's qualifications, such as service on standards committees, volunteer service or leadership positions in other organizations, etc.

I have served as the Co-Chair of the Utah County Local Emergency Planning Committee for over 7 years. I have also been a member of many other committees including the Hendricks County Local Planning Committee, Rocky Mountain Power Tagout Committee, NFPA 56 Gas Purging Committee, and the Health and Safety Board for the American Red Cross, PA. In the past, I have held many leadership positions for a variety of volunteer positions. These include President and Founder of a Mutual Aid Firefighters Association, Board VP for a lacrosse association, Coach for wrestling. *Please describe below what the nominee hopes to accomplish as a Board Member at IHMM. This could include policy or project proposals, leadership in certain areas, or other contributions the nominee sees him or herself making in the governance of the Institute.*

. As a board member of IHMM, I would like to increase awareness of the CSMP certification and help ensure that proper credits are available for certification maintenance.

Please describe below any civil or criminal litigation, state or federal agency enforcement actions, or other governmental or quasi-governmental enforcement actions taken against you or with which you have been involved. Include the nature of the action and your role in it either specifically against you as an individual or against a board or committee of which you were a part.

None.

With this form, please submit a **current resume** (five-page maximum) including education, work experience and professional affiliations.

In addition, please submit a **half-page bio** summarizing job history and education. In signing then submitting this form you are also agreeing to an IHMM Nominating Committee background check as a further condition of being considered to serve on the IHMM Board.

Please submit the completed nominations form to Eugene A. Guilford, Jr., Staff Liaison to the IHMM Nominating Committee, at gguilford@ihmm.org.

John Kasanicky Bio

John Kasanicky has 30+ years of experience in the field of safety and currently holds certification as a CSP, CHSM, and CSMP. He attended Slippery Rock University for Safety Management and holds an MBA from Baker College. John has worked in a variety of industries including foundry, steel mill, construction, manufacturing, and utilities. He has worked in both union and non-union facilities and has been the Co-Chair of a local emergency planning committee for over 7 years. John has been involved with the investigation and incident command on a train derailment, a major powerhouse explosion, and has facilitated a heavy foundry to achieve VPP status a mere 6 months after that foundry experienced a catastrophic event. John has over 30 years in the fire and EMS services. He has worked as a volunteer and paid firefighter, EMT, and was the founder and president of a Mutual Aid Firefighters Association. He currently resides in Ohio with his wife and three boys.
