## **Erika Winning Elected to the IHMM Board of Directors**

[Rockville, MD, November 23, 2022] The Institute of Hazardous Materials Management is pleased to announce that Erika Winning, CHMM, EHS Manager at Pfizer and from Pleasant Prairie, Wisconsin, has been elected to the Institute's Board of Directors. Erika has served in a variety of industries as a Safety Manager and has worked to show value in the organizations she's worked in by reducing worker's compensation claims, investigating incidents, and providing training on OSHA compliance topics. She strives to work in a cross-functional manner to build sustainable safety culture change.

***"The Institute and its more than 9000 credentialed professionals around the country and the world deeply appreciates the outstanding volunteer contributions of Erika Winning. Erika is an inspirational leader encouraging the highest standards of professional conduct among environmental professionals,"*** said Gene Guilford, IHMM's Executive Director.

Guilford added, ***"In the coming years, the Institute has challenging work to do, creating new opportunities for growth in the service of our certificant and continuously strengthening the development of professionals in the hazardous materials management, dangerous goods transportation, environmental protection, health & safety communities of practice. It is good to know that Erika is going to be a part of an exciting future at the Institute."***

IHMM also expresses its appreciation to the Pfizer community for allowing Erika to participate in IHMM's activities.

### **About IHMM**

A not-for-profit organization founded in 1984, the Institute of Hazardous Materials Management (IHMM), has been protecting the environment and the public's health, safety, and security through the administration of credentials recognizing professionals who have demonstrated a high level of knowledge, expertise, and excellence in the management of hazardous materials, dangerous goods transportation, environmental protection, health & safety.
