## **Iván Sándor Schmelczer Elected to the IHMM Board of Directors**

[Rockville, MD, November 23, 2022] The Institute of Hazardous Materials Management is pleased to announce that Iván Sándor Schmelczer, CDGP, Trans-DGT Central Europe in the Czech Republic and Trans-DGT Hungary in Hungary, has been elected to the Institute's Board of Directors. Ivan's company is one of the four companies in Hungary that deals with DGSA training and the only one in the region that deals with IATA and IMDG courses. The Czech company is in partnership with the IRU. Through this partnership, Ivan does training and consultancy work in the Middle East and Central Asian countries.

***"The Institute and its more than 9000 credentialed professionals around the country and the world deeply appreciates the outstanding volunteer contributions of Iván Sándor Schmelczer. Ivan is an inspirational leader encouraging the highest standards of professional conduct among dangerous goods transportation professionals,"*** said Gene Guilford, IHMM's Executive Director.

Guilford added, ***"In the coming years, the Institute has challenging work to do, creating new opportunities for growth in the service of our certificants and continuously strengthening the development of professionals in the hazardous materials management, dangerous goods transportation, environmental protection, health & safety communities of practice. It is good to know that Ivan is going to be a part of an exciting future at the Institute."***

### **About IHMM**

A not-for-profit organization founded in 1984, the Institute of Hazardous Materials Management (IHMM), has been protecting the environment and the public's health, safety, and security through the administration of credentials recognizing professionals who have demonstrated a high level of knowledge, expertise, and excellence in the management of hazardous materials, dangerous goods transportation, environmental protection, health & safety.
