Jan Rosenberg Re-Elected to the IHMM Board of Directors

[Rockville, MD, November 23, 2022] The Institute of Hazardous Materials Management is pleased to announce that Jan Rosenberg, CSHM, CPCU, ARM, AIM, CPM of Las Vegas, Nevada, has been re-elected to the IHMM Board of Directors for a new 4-year term. Jan is an independent consultant who retired from the State of Nevada as the Deputy Administrator of the Nevada Division of Industrial Relations (DIR), in Las Vegas, Nevada. In this position, he was in charge of the Southern Nevada office of the DIR where he worked directly with the Chief Administrative Officers of each of the Division's five sections to administer OSHA enforcement, boiler and elevator inspection services, OSHA consultation and training, mine safety and training, and workers' compensation regulation. Mr. Rosenberg has over 30 years of experience in safety, risk management, and insurance.

"The Institute and its more than 9000 credentialed professionals around the country and the world deeply appreciates the outstanding volunteer contributions of Jan Rosenberg. Jan is an inspirational leader encouraging the highest standards of professional conduct among workplace safety professionals," said Gene Guilford, IHMM's Executive Director.

Guilford added, ***"In the coming years, the Institute has challenging work to do, creating new opportunities for growth in the service of our certificant and continuously strengthening the development of professionals in the hazardous materials management, dangerous goods transportation, environmental protection, health & safety communities of practice. It is good to know that Jan is going to be a part of an exciting future at the Institute."***

About IHMM

A not-for-profit organization founded in 1984, the Institute of Hazardous Materials Management (IHMM), has been protecting the environment and the public's health, safety, and security through the administration of credentials recognizing professionals who have demonstrated a high level of knowledge, expertise, and excellence in the management of hazardous materials, dangerous goods transportation, environmental protection, health & safety.
