Daniel S. Blankfeld Elected to the IHMM Board of Directors

[Rockville, MD, December 10, 2022] The Institute of Hazardous Materials Management is pleased to announce that Dan Blankfeld, CSHM, CSMP, Vice President of Safety, GIC Madison / CBG Building Company of Silver Spring, Maryland, has been elected to the Institute's Board of Directors. Dan has served on two IHMM committees as Chair, Professional Standards, and Microcredential. Dan served previously on the ISHM board of directors as vice chair. He also serves on the NFPA 241 Committee, and previously chaired the DC metro ABC Safety Committee, the DCMSA Safety Committee, served on the Montgomery County (MD) Volunteer Fire Rescue Association Board of Directors and is an active professional member of the ASSP. Dan also currently serves as the Deputy Fire Chief of the Bethesda Fire Department.

"The Institute and its more than 9000 credentialed professionals around the country and the world deeply appreciates the outstanding volunteer contributions of Dan Blankfeld. Dan is an inspirational leader encouraging the highest standards of professional conduct among safety professionals," said Gene Guilford, IHMM's Executive Director.

Guilford added, ***"In the coming years, the Institute has challenging work to do, creating new opportunities for growth in the service of our certifiants and continuously strengthening the development of professionals in the hazardous materials management, dangerous goods transportation, environmental protection, health & safety communities of practice. It is good to know that Dan is going to be a part of an exciting future at the Institute."***

IHMM also expresses its appreciation to the GIC Madison / CBG Building Company community for allowing Dan to participate in IHMM's activities.

About IHMM

A not-for-profit organization founded in 1984, the Institute of Hazardous Materials Management (IHMM), has been protecting the environment and the public's health, safety, and security through the administration of credentials recognizing professionals who have demonstrated a high level of knowledge, expertise, and excellence in the management of hazardous materials, dangerous goods transportation, environmental protection, health & safety.
