## **Eric C. Vega, CSHM Honored With The IHMM Excellence in EHS Management Award**

[Rockville, MD] Each year the Institute of Hazardous Materials Management holds an open competition to select people of outstanding character, ability, and achievement to receive recognition with its Excellence in EHS Management Award.

For 2022, IHMM is very pleased to announce its winner of the Excellence in EHS Management Award is Eric C. Vega, CSHM, of Caguas, Puerto Rico, Area Director for the San Juan Office of Puerto Rico Occupational Safety and Health [PROSHA], leading and supervising a multi-disciplinary group composed of industrial hygienist and safety specialist and administrative support personnel. We cover 10 cities and employees in General Industry and Construction employers. I provide leadership, guidance, mentoring, advice, and teamwork to a multi-disciplinary group of safety and health specialists. I initiate and conduct informal conferences with employers and/or their representatives to resolve specific problems related to standards.

Eric is a leader in Puerto Rico working with IHMM on credential recognition and his efforts are deeply appreciated, both for his tireless work on workplace safety and for credential recognition, for which IHMM is proud to award Eric the IHMM Excellence in EHS Management recognition for 2022.

### **About IHMM**

Founded in 1984, the Institute of Hazardous Materials Management (IHMM), is a not-for-profit organization. IHMM has been protecting the environment and the public's health, safety, and security through the creation of credentials recognizing professionals who have demonstrated a high level of knowledge, expertise, and excellence in the environment, health, and safety communities of practice.
