Dear Ms. Buley,

The Personnel Credentialing Accreditation Committee (PCAC) of the ANSI National Accreditation Board (ANAB) convened and reviewed the assessment report for IHMM's 2023 Year 4 Surveillance. I am delighted to inform you that PCAC agreed with the assessors' recommendation to close the NCR for 9.3.5 and voted to grant continued accreditation for IHMM's CHMM, CHMP, and CDGP certifications under ISO/IEC 17024:2012.

On behalf of the ANSI National Accreditation Board, I would like to congratulate IHMM for demonstrating continued compliance with the standard. We look forward to a sustained partnership with you and your team.

If you have any questions about IHMM's accreditation, please do not hesitate to contact us.

Sincerely,
