Greetings –

The Personnel Credentialing Accreditation Committee (PCAC) of the ANSI National Accreditation Board (ANAB) has reviewed the IHMM Y1 Surveillance assessment report. I am pleased to inform you that PCAC agreed with the assessors' closure of the nonconformities for 6.1.7 and 7.4.3.e and voted to grant continued accreditation to IHMM under ISO/IEC 17024:2012 for the following certification programs:

Certified Hazardous Materials Manager (CHMM)
Certified Hazardous Materials Practitioner (CHMP)
Certified Dangerous Goods Professional (CDGP)

Congratulations for demonstrating continued compliance with the standard. We look forward to a sustained partnership.

If you have any questions, please do not hesitate to contact us.

Sincerely,
Katherine
